

## NAIOP Chicago 35<sup>th</sup> Annual Awards for Excellence Finalists Contractor of the Year

### 1. ARCO/Murray

Over the last year, ARCO designed & built 3M+ SF across Chicagoland. Projects range from Puttshack's tech-infused indoor mini-golf facility, to Crow Industrial's cross dock truck terminal, to the North Austin Community Center, a 10-acre after-school youth center with professional-level sports training (Chicago Fire Football Club and Jason Heyward Baseball Academy) in Chicago. ARCO overcame brownfield redevelopment challenges on the former Glidden paint factory site, developed creative solutions to maximize space for 70 cross docks with automatic levelers, and leveraged technology previously only seen in Europe to create an entertainment experience unlike any other.

- a. Property 1: Crow Joliet Truck Terminal
  - i. Address: 2901 Channahon Rd. Joliet, IL 60436
  - ii. Square Footage: 111,111
- b. Property 2: North Austin Community Center
  - i. Address: 1841 N Laramie, Chicago, IL
  - ii. Square Footage: 152,333
- c. Property 3: Puttshack
  - i. Address: 1828 Oak Brook Center, Oak Brook, IL 60523
  - ii. Square Footage: 25,465
